Undergraduate scholarship recipients can apply for preparatory course exemption if they completed their secondary education in Chinese or have a valid HSK certificate that meets the requirements of the host university. Official documents from secondary schools or a photocopy of a valid HSK certificate must be submitted for a preparatory course exemption application. Please NOTE that HSK results are valid for only 2 years.

Scholarship recipients of Chinese-taught programs without adequate Chinese proficiency must take Chinese language courses for one to two academic years to reach the language requirements of their host universities before moving on to their major studies. Chinese language courses will be one year for majors in Science, Engineering, Agriculture, West Medicine, Economics, Management, Legal Studies and Fine Arts, and be no more than two years for majors in Literature, History, Philosophy and Chinese Medicine.

Scholarship recipients of the English-taught programs or those with adequate Chinese language proficiency do not need to take Chinese language courses.
